I have no comments to make re 1-10

I was born (68 years ago) and have lived my entire life within the borough of Gosport. In the days when we had a Navy it was thriving in the town area. The move towards out of town shopping and online retail have had a massive effect even without the lack of Navy personnel.

Transport issues will always be the biggest draw-back for regeneration as well as lack of low-skilled jobs.

Bring back buses to the High Street.
(One way?) Pedestrianisation was a mistake

Thank you for your comments.

Additional space for comments.

I would like to see a high rise hotel on the bus station site. Having visited flats in Harbour Towers - where else will you find such a view?

Top floor restaurant.

Perhaps ships underneath.

Main problem would be parking.

We need conference facilities and tourists. An hotel on the ~~site~~^{site} would surely attract them.

Please, please do something about a land train to Clarence yard and on to Explosion -

My husband and I go to North Meadow, Clarence land every week. As I can no longer walk far we have to use our car. If a bus or land train was available we would willingly use public transport.

The eyesores of sadly abandoned buildings at Priddy's ward is a crying shame. Someone needs to sort out the M.O.P.

These buildings have huge potential.

Gosport has a huge amount to offer in the way of heritage - build on that and maybe the retail names will return.

WE DO NOT NEED MORE HOUSES
WHICH EQUAL MORE CARS!!!
