Dear Sir or Madam,

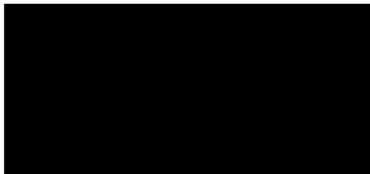

GOSPORT LOCAL PLAN – PUBLICATION VERSION CONSULTATION

Thank you for your recent consultation on the above and taking the time to seek the Mobile Operators Associations' views on the Publication Version of the Gosport Local Plan. We consider this a very proactive approach to forward planning and welcome the opportunity to have input in the process.

We welcome the inclusion of Policy LP20: Information and Communications Technology to facilitate telecommunications development and support its provisions which we find to be generally in accordance with NPPF.

We trust you find the above comments of assistance. Please do not hesitate to contact me should you have any queries relating to the above matters.

Yours faithfully
