Gosport Community Infrastructure Levy Draft Charging Schedule consultation:

Please use a separate form for each representation

1. Do you consider that the CIL rates proposed in the draft charging schedule for different types of development are appropriate for Gosport Borough?

Please tick

Yes No

If No please state reasons below:

Gosport Society agrees with the majority of the rates set for a CIL charge on the various categories of development, however, we are concerned about the proposed ZERO charge on Industrial and Hotel Development. These developments, which are built for profit, will inevitably make similar demands on the local infrastructure in the same way as other developments and should therefore be expected to pay some contribution towards funding for local infrastructure.
