2.

Circa 1830. Large late Regency house, with complex architectural form of symmetrical design, with Grecian ornament sparsely applied. Three-storeys and basement. 1.2.1.2.1 windows, ends being 2-storeyed set back wings. Hipped slate roof. Walling has simple eaves cornice, second floor horizontal bands containing panels below windows, with Greek fret ornament. First floor bands contain similar panels having palmette ornament, with triglyphs in centre unit. Sashes in reveals. Centre ground floor window is of 3-lights within plain architrave. Prominent moulded chimneys.
