2.

Mid C19 Gothic villa of 2-storeys, 1.1.1 windows. Low pitched slate roofing with gables and gablets having elaborate barge boards and cusped eaves. 'Tudor' upper windows, with splayed reveals; ground floor with projecting square bays. Side elevation and chimney projected on first floor cusped brackets, within a gable, and 2 gablets above a 3-unit ground floor arcade, with buttresses. Centre unit projects forward under the largest gable, west unit is recessed and of lesser height but has a modern forward flat roofed extension.
