CALCULATION OF FEES

1. Where an application involves the erection of residential and non residential floorspace the fee payable will be the sum of the fees for the two constituent parts.
2. Where an application fee could be calculated from more than one of the categories (f) to (q) above, the fee payable will be the highest figure produced when each relevant category is calculated separately.
3. Where an application for approval of reserved matters is made and the applicant has previously applied for such approval and paid fees equivalent to what would be payable if now seeking approval of all the matters reserved in respect of the whole of the outline application site, the fee payable in respect of the current application shall be £190
4. "Floorspace" in these notes denotes Gross Floorspace in accordance with the 'Code of Measuring Practice' prepared by the RICS and ISVA and includes covered floorspace with a headroom of more than 1.50 Metres and all perimeter and internal walls, columns, chimney breasts, stairwells lift and plant rooms, open sided covered areas and car parks.
5. Applications made by or on behalf of Parish Councils- attract a fee of 50% of that otherwise payable
6. Applicants making applications for alternative proposals for the same site on the same day shall pay a single fee calculated as follows:-

Calculate the fees for each separate proposal, take the highest fee and add to it half of the sum the other alternative fees.
7. Certain applications are Exempt from Planning Fees. See below for details

Exemptions from fees

No fees payable for:

1. Applications required because of an article 4 direction or Regulation 7 direction (Advertisement).
2. Applications required because permitted development has been restricted by a condition attached to a previous permission.
3. Applications for extension or alteration to a dwellinghouse or in the curtilage of a dwellinghouse where such works are solely to improve the access, safety, health or comfort of a resident or proposed resident to whom Section 29 of the National Assistance Act 1948 applies (a disabled resident)
4. i) A revised application for planning permission for development of the same character or description relating to the same site or part thereof, by the same applicant, within 12 Months of:-
 - a) the date of grant of permission of an earlier application
 - b) the date of refusal of an earlier application (including dismissal at appeal)
 - c) the date of submission of an earlier application which was withdrawn before a decision notice was issued;
 - d) the expiration of the prescribed period of determining an earlier application where an appeal has been submitted to the Secretary of State against the failure of the Local Planning Authority to determine that application.
- ii) One revised application for approval of one or more reserved matters relating to the same site or part thereof and to no other land by the same applicant for approval of the same reserved matters of the same outline planning permission with 12 months of :-

- a) the date of grant of permission of an earlier application
- b) the date of refusal of an earlier application (including dismissal at appeal)
- c) the date of submission of an earlier application which was withdrawn before a decision notice was issued;
- d) the expiration of the prescribed period of determining an earlier application where an appeal has been submitted to the Secretary of State against the failure of the Local Planning Authority to determine that application.

iii) A revised application for display of advertisement relating to the same site and description by the same application within 12 months of:-

the date of refusal of an earlier application;

the date of submission of an earlier application which was withdrawn before a notice of decision was issued.

Provided that;

the correct fee was paid in respect of the earlier application:

if the earlier application was in outline then the revised application is also in outline;

the revised application includes no additional land (other than may be necessary to provide access and;

any applicant may only take advantage of exemption once under (a),(b),(c) or (d) in respect of any one site.
