

Supplementary Planning Document Screening Statement

Environmental Assessment of Plans and Programmes Regulations 2004 and Conservation of Habitats and Species Regulations 2010 (as amended)

LEE WEST AREA OF SPECIAL CHARACTER: SUPPLEMENTARY PLANNING DOCUMENT

A screening has been carried out on the Lee West Area of Special Character Supplementary Planning Document (SPD) to ascertain whether a Strategic Environmental Assessment (SEA) is required under the Environmental Assessment of Plans and Programmes Regulations 2004, and/or a Habitat Regulations Assessment (HRA) is required under the Conservation of Habitats and Species Regulations 2010 (as amended).

As this SPD is a design guidance document, which does not plan for additional development, it is not considered to present any significant environmental impacts, including upon Natura 2000 sites.

Therefore an additional SEA or a HRA is not considered necessary, beyond those which have been carried on the Gosport Borough Local Plan 2011-2029 (adopted 2015), under which this SPD sits.
