Conclusion

Suitable	Available	Achievable
----------	-----------	------------

Issue	Figure	Assumptions
Developable area	0.23 ha	Includes parking areas.
Local area density	Medium	
Development density	40dph	Density of developable area.
Capacity for dwellings	9	Based on broad density estimate.

Concluding comments	The open space forms an integral part of the streetscene and was intentionally designed to form part of the character of the area. Development would likely be unsuitable and lead to an unattractive built environment, with properties overlooking each other and limited amenity space for residents.
Concluding actions	No further action.
