Issue	Figure	Assumptions
Developable area	0.13 ha	Based on whole site.
Local area density	High	50dph
Development density	45dph	Density of developable area.
Capacity for dwellings	6	Based on initial visual assessment.

Concluding comments	This site contains parking that should be retained for the surrounding area which is densely developed. The site could be considered as part of a wider redevelopment scheme of the area. Given the local parking requirements and potential future development options this site has been discounted from the SHLAA.
Concluding actions	<b>No further action.</b>
