| Issue                  | Figure         | Assumptions          |
|------------------------|----------------|----------------------|
| Developable area       | Approx. 0.7 ha | Based on whole site. |
| Local area density     | Medium         | 40dph                |
| Development density    | -              | -                    |
| Capacity for dwellings | 0              | -                    |

| Concluding comments | The site is considered to be an important area of open space, scoring a medium value in the recent<br>Open Space Monitoring Report. The site plays a considerable role in the character of this area and<br>was clearly intentionally designed to be this way. The site was assessed as unable to accommodate<br>5 or more dwellings; as such it is not suitable for inclusion in the SHLAA. |
