Issue	Figure	Assumptions
Developable area	0.05 ha	Based on whole site.
Local area density	Medium	40dph
Development density	60dph	Density of developable area.
Capacity for dwellings	3	Based on initial visual assessment.

Concluding comments	The sites small size limits the number of dwellings achievable. As such, the site is not suitable for inclusion in the SHLAA. Any potential development would need to ensure local parking requirements are fully met and that the amenity of existing neighbouring dwellings is considered.
Concluding actions	No further action.
