## AGENDA ITEM NO. 6

<b>Board/Committee:</b>	Licensing Board
<b>Date of Meeting:</b>	28 <sup>th</sup> October 2014
<b>Title:</b>	Application for the renewal of a Hackney Carriage Vehicle Licence under Exceptional Circumstances
<b>Author:</b>	Licensing Officer
<b>Status:</b> amend as appropriate	FOR DECISION

### **Purpose**

The report advises the Licensing Board of an application to renew and extend an existing Hackney Carriage Vehicle licence for a vehicle that will be more than 8 years old at the time of the renewal and will not meet the Gosport Borough Council Hackney Carriage & Private Hire standard conditions

### **Recommendation**

That the Licensing Board determines the application for the renewal of a Hackney Carriage Vehicle licence in exceptional circumstances and if granted, delegates determination of future renewals of this vehicle to The Head of Environmental Services.

#### **1. Background**

- 1.1 Gosport Borough Council as a licensing authority under the Town & Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976 is responsible for licensing Hackney Carriage Vehicles. Hackney Carriage Vehicle Licences may be granted in accordance with the Gosport Borough Council's Private Hire and Hackney Carriage conditions.

#### **2 Report**

- 2.1 An application to renew a Private Hire Vehicle licence for a vehicle that will be more than 8 years old at the time of renewal was received from Mr Bryn Gibson on 2nd September 2014. (Attached as Appendix A). The vehicle for which the application relates to is a Ford Mondeo, registration number CA06 TUH. The current licence for this vehicle expired on 16th September 2014, and the license has been extended to the 28th October 2014 to allow for the Licensing Board determination.
- 2.2 The vehicle does not meet the age criteria as laid down in the Gosport Borough Council Hackney Carriage and Private Hire Conditions for renewal applications. The vehicle reached eight years

old on 30<sup>th</sup> June 2014 and the applicant has therefore requested the Board consider this application as an exceptional vehicle (Attached as Appendix B). Therefore the renewal of this vehicle application must be determined at the Licensing Board.

2.3 The purpose of any age limit is to try and ensure that the licensed vehicles are as safe, reliable and comfortable as possible. The Licensing Authority must consider any application that falls outside the age policy on its own individual merits.

2.4 Mr Gibson is requesting the Licensing Authority to depart from this Condition because of the mechanical / servicing history of the vehicle.

2.5 The mechanical condition and comfort of the vehicle were found to be satisfactory on inspection and public safety would not be compromised should the board be minded to grant the application.

2.6 This vehicle renewal application is being put to the Licensing Board for determination

### **3 Risk Assessment**

3.1

If the Council were to refuse the application for the vehicle to be licenced as exceptional circumstances, the vehicle would not be able to operate as a licenced Hackney Carriage Vehicle in the Borough of Gosport.

### **4 Conclusion**

4.1 The Council has adopted conditions to ensure the safety of the travelling public in both Hackney Carriage and Private Hire vehicles in the Borough.
