LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982

SECTION 15

(1) A person shall not in any area in which this section is in force carry on the business of -

- a. tattooing,
- b. ear-piercing, or
- c. electrolysis

unless he is registered by the Local Authority for the area under this section.

(2) A person shall only carry on a business mentioned in subsection (1) above in any area in which this section is in force in premises registered under this section for the carrying on of that business; but a person who carried on the business of tattooing, ear-piercing or electrolysis and is registered under this section as carrying on that business does not contravene this subsection merely because he sometimes visits people at their request to tattoo them or, as the case may be, to pierce their ears or give them electrolysis.

(3) Nothing in this section shall extend to the carrying on of a business such as is mentioned in subsection (1) above by or under the supervision of a person who is registered as a medical practitioner or to premises on which any such business is carried on by or under the supervision of such a person.
