PART I

51. GOSPORT PENINSULAR ACCESS PANEL

By reason of special circumstances, the Chairman determined that this item be considered at this meeting notwithstanding the fact that the item had not been available for public inspection in accordance with the provisions of Section 100B(4)(a) of the Local Government Act 1972.

The special circumstances were that Councillor Chegwyn raised a matter in relation to a meeting to be held on Tuesday, 20 March 2007.

Hampshire County Council had recently set up a Gosport Peninsular Access Panel which comprised County Councillors for Gosport and Fareham and Councillors from Gosport and Fareham District Councils. The Panel was to meet on Tuesday, 20 March to specifically discuss the replacement ferry pontoon. There was an urgent need for the Council to nominate 2 members to attend this meeting.

The Borough Solicitor advised that nominations to outside bodies were a decision for full Council but the Board could make recommendations and the matter progress as a Part I Item. The Chief Executive was able to take urgent action on Part I matters if in his opinion action is necessary as a matter of urgency, the Board is made aware of his intention to take urgent action at the time the Part I item is discussed and the minutes of the Board record the urgent action and are reported to the Council.

The Chief Executive advised the members of his intention to use the urgency procedure in Standing Order 7.5.

RECOMMENDED: That:

- a) as there were 2 places on the Panel the 2 members should only be appointed for this one meeting;
- b) the process for deciding which Groups are represented on the Panel should be by the drawing of lots by the Borough Solicitor;
- c) the Board noted that the Chief Executive was of the opinion that action on this Part I item was necessary as a matter of urgency as the issue of the replacement of the ferry pontoon was pressing and the meeting was to take place before the next Council meeting. Therefore he intended to take urgent action under Standing Order 7.5 to appoint 2 members nominated by the Group Leaders of the Groups decided by the drawing of lots; and
- d) Council is requested to nominate 2 members to the Panel to attend meetings after 20 March 2007.

54. LOCAL AREA AGREEMENT PRIORITY G – USE MATERIAL RESOURCES MORE EFFICIENTLY

Consideration was given to a report of the Environmental Services Manager which outlined what the Council needed to do to deliver those priority actions required towards the successful delivery of Local Area Agreement priority G 'Use Material Resources More Efficiently'.

Officers advised that the White Paper on Local Government placed increasing emphasis on Local Area Agreements as a way of delivering what communities want and the Council should therefore sign up to the ambitions outlined in the Environmental Services Manager's report.

An action plan would be developed covering the various activities carried out within units of the Council. It was anticipated that the fourth ambition included in the report i.e. to ensure that recycling services be available at all the major Council owned sites, would begin to be realised on 2 April 2007 when a contractor would be carrying out the work required. This action would also lead to financial savings.

RESOLVED: That:

- a) the Council formally sign up to the ambitions listed in the report;
- b) specific actions be developed in order to deliver the Council's ambitions for the corporate approach to material resources; and
- c) outputs and outcomes be measured and reported back to the LAA lead on Priority G.
