SUMMARY OF REPORT AND RECOMMENDATIONS

The report explains that following the Regulatory Board resolution on 17 April 2007 to refuse application ref. K.16420/6, amended plans have been submitted by the applicant. The report sets out the changes to the scheme, considers the planning merits of the revised proposals and requests that the Board reconsiders the application.

RECOMMENDATION That planning application K16420/6 – 32 Forton Road, Gosport be approved subject to a Section 106 agreement relating to affordable housing, the payment of a commuted sum towards the provision and/or improvement of outdoor playing space and a traffic regulation order and subject to the conditions set out in the report of the Development Services Manager dated 17.4.07, for the reason listed below. In the event that the Section 106 is not completed by 11 May 2007, authority is delegated to the Head of Development Control to refuse the application.

Reasons for granting permission:

- i Having regard to the provisions of Section 38(6) of the Planning and Compulsory Purchase Act 2004 and all other material considerations, the proposal would not adversely affect the character or visual amenities of the area, or the amenities of existing or prospective occupiers, or parking or highway safety conditions in the locality. The development also makes adequate provision for outdoor playing space and affordable housing. As such the development complies with Policies R/DP1, R/DP3, R/DP6, R/H5, R/OS8, R/T2, R/T3, R/T10, R/T11, R/CF6, R/ENV2, R/ENV5 and R/ENV10 of the Gosport Borough Local Plan Review.

1.0 INTRODUCTION

- 1.1 Following the Regulatory Board resolution on 17 April 2007 to refuse application ref K16420/6, the applicant, on learning the reason for refusal, submitted amended plans showing an additional parking space before the decision was issued. The reason for refusal has been addressed, therefore the amended application is being placed before this extraordinary meeting of the Board for re-consideration.

2.0 AMENDED PROPOSALS

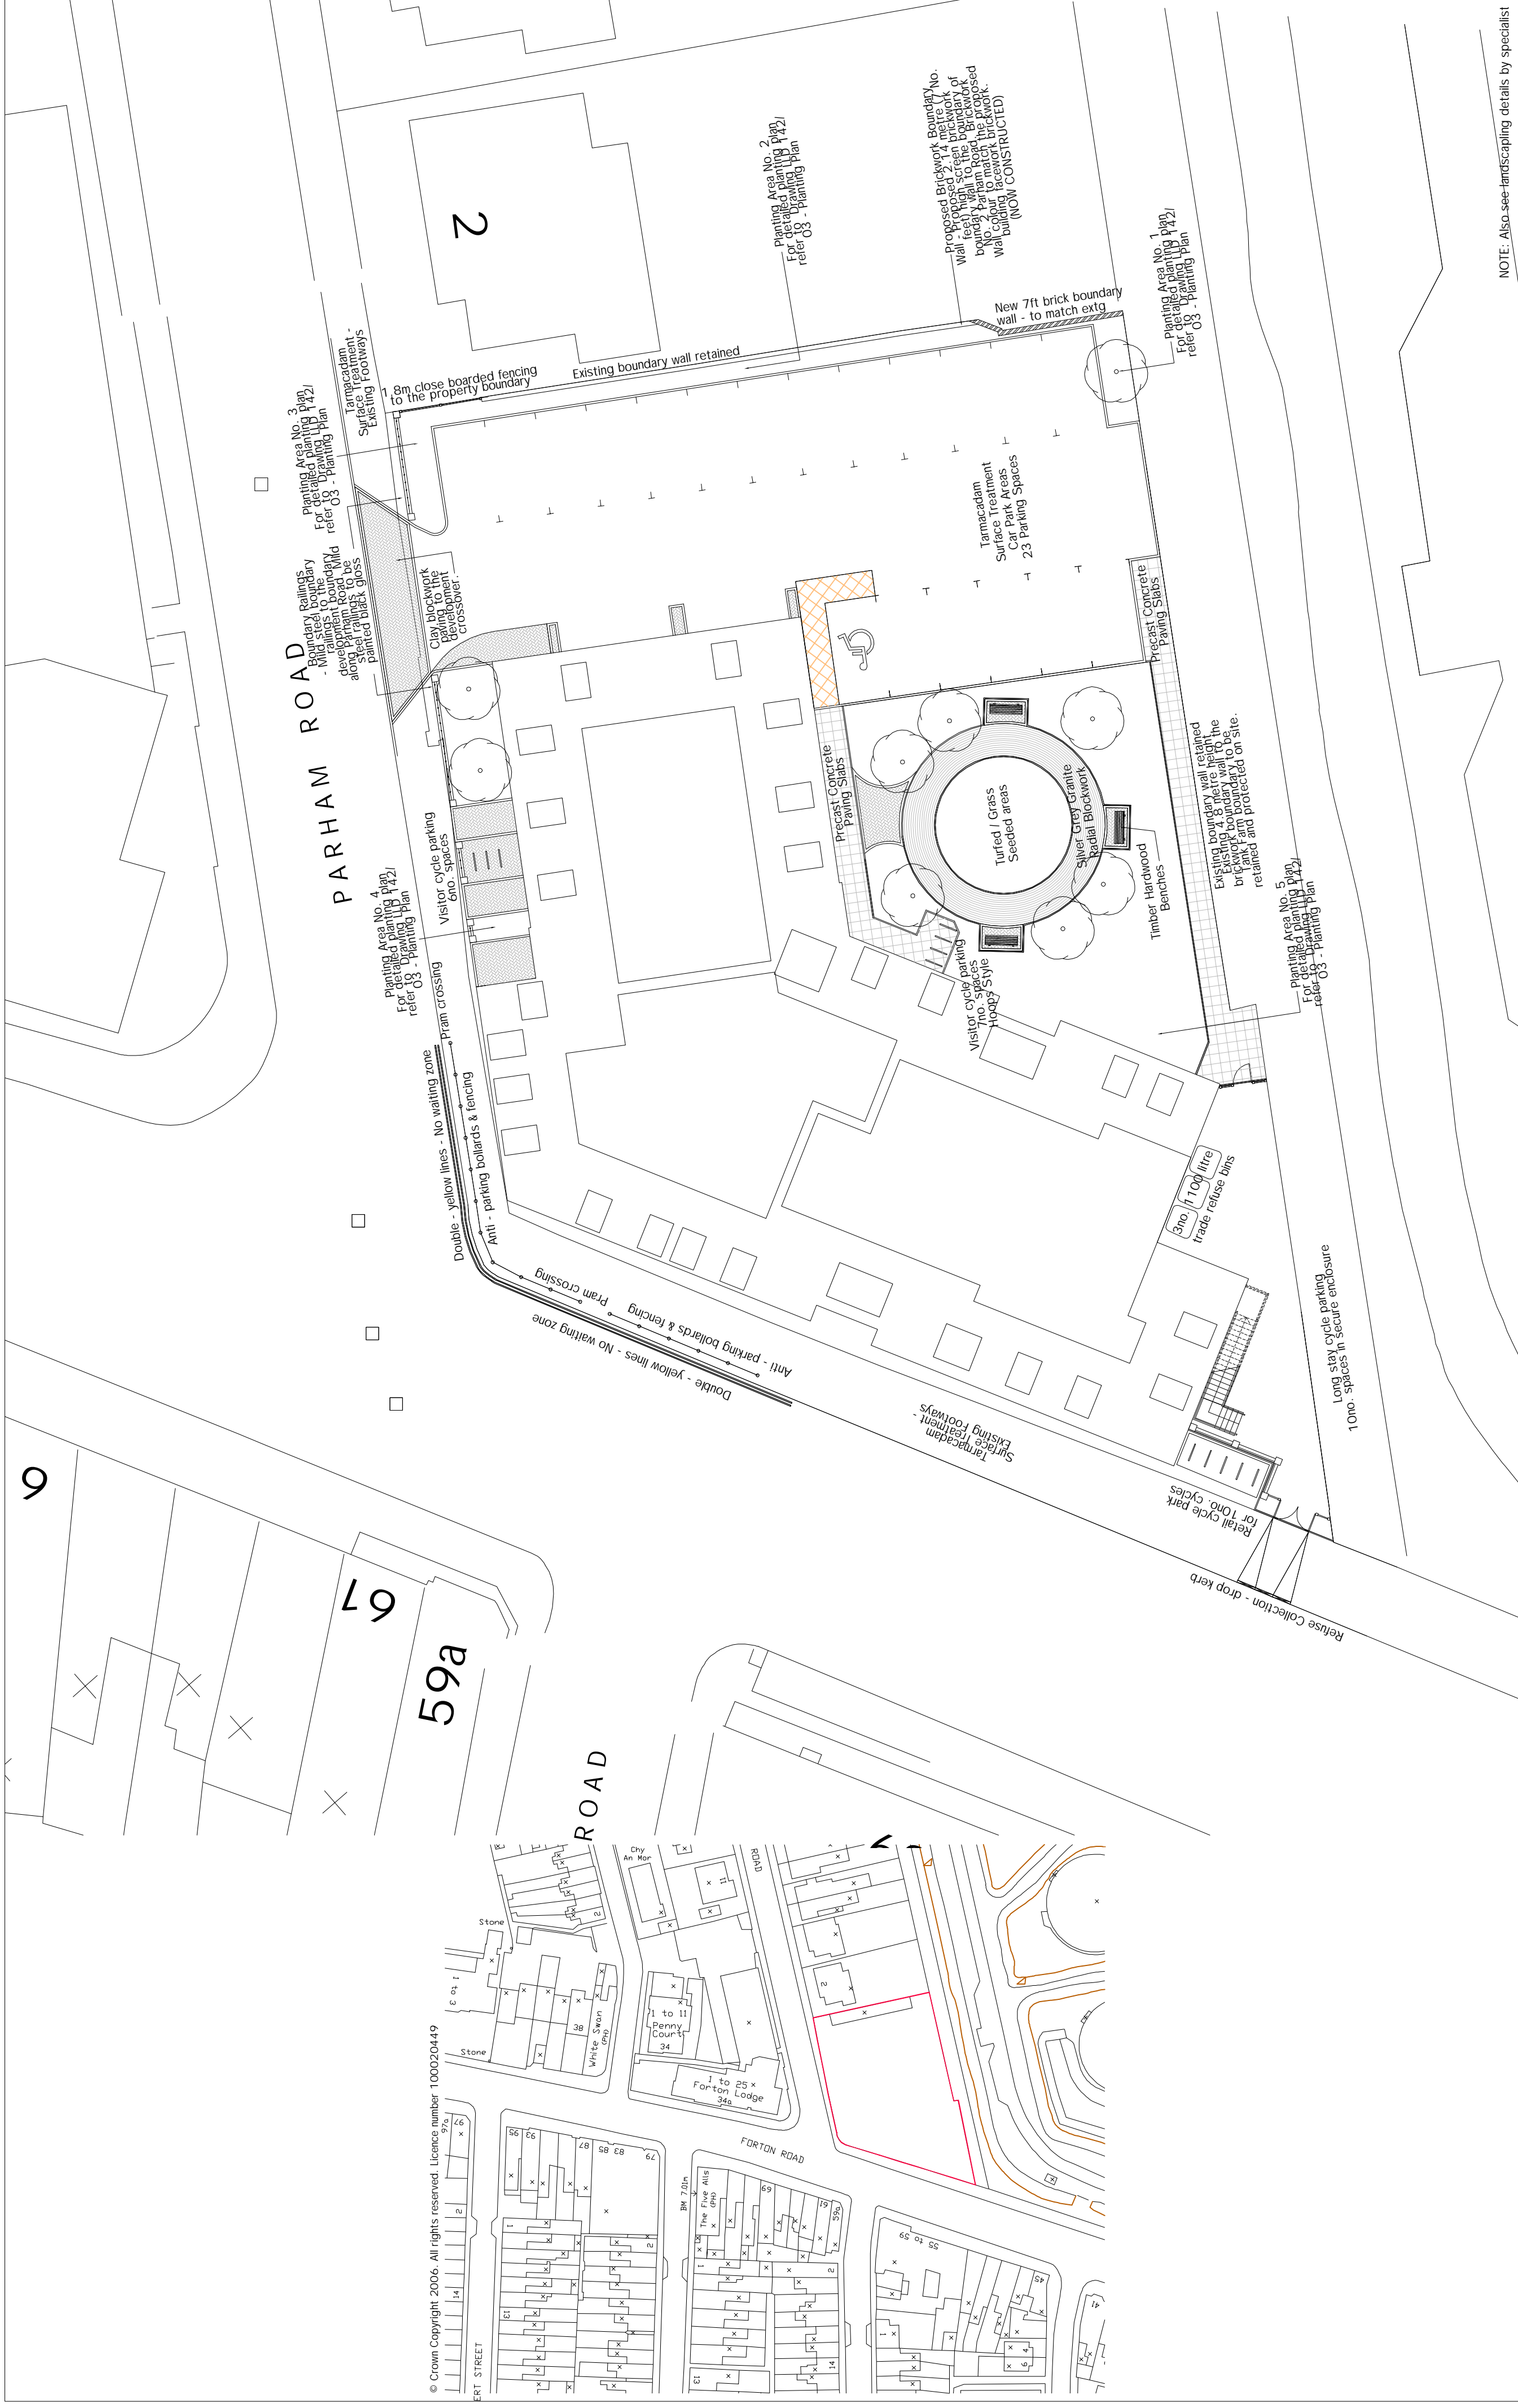

- 2.1 The additional parking space is within the previously approved parking area. It is adjacent to a landscaped area facing Parham Road and is behind a 1.8metre close boarded fence and 2.14metre high brick wall. The Head of Traffic Management has confirmed that the parking space is acceptable in size and location from a highway safety perspective and there are no issues in terms of the appearance of the development or the impact on occupiers of neighbouring properties. The proposal now meets the maximum parking standard set out in the Gosport Borough Local Plan Review for the development proposed (23 spaces).
- 2.2 As the change will not materially affect either the appearance of the development or any neighbouring occupiers, there is no requirement to re-advertise the application.
