1. Do you have any comments regarding the Vision?	I believe the bus station needs to be improved but more dwellings is not required and Falklands gardens should remain untouched.
2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	Needs new bus station don't need flats.
3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	Flats and car park is not what gosport waterfront needs but some more 20 min stay parking for people waiting to collect people off the ferry would be good and possibly some longer stay disabled parking closer to the ferry.
4. Do you have any comments regarding the opportunities of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	I don't agree with the flats or anything else high rise
5. Do you have any comments regarding the challenges of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
Theme A: Creating an Attractive Townscape	The inside of the bus station needs to be improved and the gardens left alone. I still miss the shop that was there and maybe have a cafe with views across the harbour.
Theme B: Creating New Employment Opportunities	
Theme C: Enhancing the Shopping and Leisure Experience	

Theme D: Providing New Homes	Our town can't cope with more homes
Theme E: Improving Accessibility	Won't improve it
Theme F: Improving Public Realm and Green Infrastructure Provision	
Theme G: Managing Flood Risk	
Theme H: Providing Appropriate Infrastructure	
Theme J: Creating a Healthier Town	How?
The Bus Station and Falkland Gardens	Bus station to be updated and the gardens left alone
Gosport Waterfront North of Mumby Road	
Royal Clarence Yard and the Retained Area	
North of the High Street	
The High Street and associated areas	
South Street	Only recently found out the Police station had closed, that was a shock. Limited service again and especially inconvenient for older people or those without transport if the police in the council offices are closed and they need to go to the limited hours of fareham police station.
Trinity Green area	
Haslar Marina	Access restricted to Hardys and parking for the restaurant can be a problem sometimes.
The Gosport Lines	
8. Is there anything in the SPD that particularly concerns you and why?	GOSPORT could be a lovely town but the town centre has nothing here that makes people I know want to come here. The shops are rubbish, the pubs are quiet and there are no police patrolling so there is a lot of anti social behaviour so my friends and I go elsewhere for shopping and entertainment which is sad as it used to be a really good town when all the military were at Haslar and blockhouse.
9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?	Why do we need to build on every bit of land? Keep the area safe and clean and nice looking so it can be appealing
10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?	Improved bus station, small cafe and shop overlooking the harbour. A few more very short stay parking/disabled parking to collect ferry passengers.

11. Please include any comments you may have	Lucky if I ever see any police in this town and as there are a lot of people in this town that like to scream and shout and commit varying degrees of crime then more police patrolling the town area should be desirable to help the nice people who want to shop in the town.
