Interesting —

Strengths, Weakness, Opportunities and Challenges (page 10 of the SPD)

2. Do you have any comments regarding the **strengths** of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

I agree that Gosport waterfront would do with a re-generation program. But not too much!

3. Do you have any comments regarding the **weaknesses** of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

Before any more houses/business's etc. are built anywhere in Gosport — a new road needs to be built out of the town! Towards Portsmouth!!

Traffic!

Theme C: Enhancing the Shopping and Leisure Experience (page 29 of the SPD)

Good:

Theme G: Managing Flood Risk (page 44 of the SPD)
Theme H: Providing Appropriate Infrastructure (page 49 of the SPD)

How can more houses + buildings improve health!!?
 More traffic - more exhaust fumes - especially when
 the cars are stationary in traffic!!

Character Areas

7. Please include any comments you may have regarding the proposals for the Character areas (including: What else would you like to see? Additional opportunities? Issues not covered? Concerns or queries?)

The Bus Station and Falkland Gardens (page 55 of the SPD)

This area is already sufficient and pretty!

Gosport Waterfront North of Mumby Road (page 60 of the SPD)

enough already!

Royal Clarence Yard and the Retained Area (page 61 of the SPD)

Improve this area first - its almost derelict!

North of the High Street (page 64 of the SPD)
The High Street and associated areas (page 67 of the SPD)

Character Areas

Please include any comments you may have regarding the proposals for the Character areas (including: What else would you like to see? Additional opportunities? Issues not covered? Concerns or queries?)

South Street (page 70 of the SPD)

Bit of a tip - improvement needed.

Trinity Green area (page 73 of the SPD)

Already beautiful - leave alone!!

Haslar Marina (page 77 of the SPD)

OK - Already!

The Gosport Lines (page 79 of the SPD)

Overall comments

8. Is there anything in the SPD that particularly concerns you and why?

The scale of the development - when Haslar is still not finished or even started! and Royal Clarence - NOT WORKING.

9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?

10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?

Do not try to cover up Seaward + Harbour Towers.
Nothing is needed in front of them!

Any further comments?

11. Please include any comments you may have

A small regeneration of the town centre would be welcome — but, to flood the whole area with buildings would be the start of turning Gosport into Portsmouth!

I wouldn't live in Portsmouth if someone gave me a house there! I grew up there and know what I'm talking about!

Don't spoil Gosport!!

Thank you for your comments.

Additional space for comments.

Gosport will never flourish all the time the road in, is as congested as it is.

Gosport needs a brand new rd. across the harbour to the M275.

We need infrastructure before any more houses or factories!

Gosport is nice as it is BECAUSE it has space and green areas.

The town has already been developed more than most areas around hants.

And - where is the money coming from??

I apologise if I sound dispondent - a regeneration of the high st. and south of it would be welcome.

But - I still stand behind my views that we do not have the infrastructure in place to cope with the extra traffic!! This should be addressed before any new buildings!!
