**Subject:** Waterfront and Town centre development DPS consultation

I would like to request that the consultation period is extended by at least a month on the grounds that there are still too many residents who aren't aware of the plans and the consultation.

I believe this is necessary especially as the Chairman of the Economic Development Board Mr Stephen Philpott has stated on video published on Thursday 22nd June on 'The News' site, that he wants "Anyone and everyone to have their say".

Sincerely  
Mr L J Thomas
