The Bus Station and Falkland Gardens (page 55 of the SPD)

The Falkland Gardens should be left as they are - My work is good when the police stop the drug dealers using in the bus.
 We need proper buses with doors you can open or more of them.
 Could do with more seats

Overall comments

8. Is there anything in the SPD that particularly concerns you and why?

Lack of proper jobs.
Absence of public loos + seems to be less security.

9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?

10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?

Provision of long-stay car park for commuters near ferry terminal
& around bike storage areas.

Any further comments?

11. Please include any comments you may have

Gosport needs proper jobs + public sector employment.
More scaling of public loans that are usable.

It also needs the police to do their job - i.e. stopping drug deals, addicts & prostitutes using Gosport as their personal territory.

Gosport also needs more long stay car parking.
