| 8. Is there anything in the SPD that particularly concerns you and why?  | <p>The idea of a "landmark building" on the waterfront ... Please see my comments below: We're so easy to reach from Portsmouth, I believe that our comparatively small town area would be enhanced beyond measure by low rise improvements that accentuate the history and add to the charm, would be an attractive option for visitors to the big brash Gunwharf Quays to 'pop over' and enjoy the relative peace and of course the charm of our small town. Even tourists arriving by sea from Spain and France would be attracted to our little haven! We're not a city, our character should not try to emulate that of our totally different neighbour across the harbour!! Oh and we have the absolute best views from our side too! We should promote the millennium walk, the view of the dockyard from Clarence Marina or the bridge gives something not available from anywhere along the built up Portsmouth Harbour area..</p> |
| 9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?                |   |
| 10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD? |   |
