1. Do you have any comments regarding the Vision?	Yes - this is a highly promising plan to bring some vitality, access and desirability to the 'Gosport Riviera' as it was referred to in recent times. Opening up, where feasible, the harbour from the Falklands Gardens to Royal Clarence Marina, for pedestrians and sensible cyclists would be lovely and would make Explosion and Priddy's Hard much more attractive to visitors.
2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	The plan for parking in Brewhouse Square is unacceptable and needs to be cancelled. The area is part of the lovely Royal Clarence Marina development, there are other nearby areas of undeveloped land for parking and it would be the wrong use for such a pleasant and historically significant area.
3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
4. Do you have any comments regarding the opportunities of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
5. Do you have any comments regarding the challenges of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
Theme A: Creating an Attractive Townscape	Fully supported - at last a vision for Gosport.

Theme B: Creating New Employment Opportunities	Of course - Gosport needs jobs.
Theme C: Enhancing the Shopping and Leisure Experience	Anything to bring life and better shops to the High Street is clearly attractive.
Theme D: Providing New Homes	More homes means more people and we are already bursting at the seams. Gosport needs jobs, some harbour front glamour and a more pleasant environment, not more houses.
Theme E: Improving Accessibility	Yes - of course.
Theme F: Improving Public Realm and Green Infrastructure Provision	Yes.
Theme G: Managing Flood Risk	One for the specialist engineers, but I thought we are largely well protected from tidal surge.
Theme H: Providing Appropriate Infrastructure	Yes.
Theme J: Creating a Healthier Town	These are very easy statements with which to agree.
The Bus Station and Falkland Gardens	
Gosport Waterfront North of Mumby Road	
Royal Clarence Yard and the Retained Area	No parking in Brewhouse Square - it would be an inappropriate and unpleasant use of this lovely old Square.
North of the High Street	
The High Street and associated areas	
South Street	
Trinity Green area	
Haslar Marina	
The Gosport Lines	
8. Is there anything in the SPD that particularly concerns you and why?	Parking in Brewhouse Square is not an appropriate use of this lovely environment.
9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?	

10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?	
11. Please include any comments you may have
