| Theme B: Creating New Employment Opportunities | |
| Theme C: Enhancing the Shopping and Leisure Experience | |
| Theme D: Providing New Homes | The area for proposed new homes will create further drain on available servicesIt is very difficult to obtain a doctors appointment within a week despite so calledreorganisation of local surgeries.Traffic congestion in and out of Gosport will only become more of a problem. and residents parking issues will increase |

| Theme E: Improving Accessibility | As a resident of Rope Quays, I am very concerned with the proposal to divert the Millennium walkway under Harlequin Court for the following reasons.1. Noise, the proposed walkway would be underneath residents bedrooms, we already hear late night revellers in Weevil Lane after midnight.2, Security, you have just closed essential public toilets due to drug addicts and rough sleepers, this would present an ideal spot for this to continue. we have had several cycles stolen from Rope Quays and rough sleepers trying to use the area.It is clear that the council and authorities are unable or unwilling to tackle this problem, please consider these points before making your decision. |

| The Bus Station and Falkland Gardens | Please don't turn Falkland Gardens into a children's play area, it is one public space that it is a pleasure to visit and is well maintained, especially the flower beds . |
| Gosport Waterfront North of Mumby Road | |
| Royal Clarence Yard and the Retained Area | I welcome the proposed use of ex MOD land for commercial marine related activities. Gosport needs more high tech employment opportunities |
