9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?	A new hotel around the Morrissons area.
10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?	
11. Please include any comments you may have	Please consider the chaos with more cars trying to get in and out of our narrow roads. Watch the buses trying to get down Stoke road will tell you everything. Try to get to Q.A. as a pedestrian, the War memorial needs upgrading or a new hospital built for residents. I also include more doctors surgeries. At certain times of the day you cannot get in to Gosport when you get to Fareham what is your development going to do? besides cause traffic chaos. Please think again, when Sultan closes you will want to build yet more houses where does it end?
