1. Do you have any comments regarding the Vision?	This is all a very good idea, and I hope it works, but with all the new housing developments proposed, I cannot see it working particularly well for traffic. It is already a pain getting into and out of Gosport. The amount of traffic build up is horrendous, and it will only get worse with more housing. Yes we need more housing, but we also need another access road into Gosport.
2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

Theme B: Creating New Employment Opportunities	
Theme C: Enhancing the Shopping and Leisure Experience	
Theme D: Providing New Homes	
Theme E: Improving Accessibility	Once again I think we need to be able to access Gosport by more than one road. It will put people off visiting if they know they are going to sit in traffic for ages before reaching their chosen destination. This is not only in the rush hours either!
Theme F: Improving Public Realm and Green Infrastructure Provision	
Theme G: Managing Flood Risk	
Theme H: Providing Appropriate Infrastructure	

Theme J: Creating a Healthier Town	Does this mean we might see Hasler back in use?? That would be a wonderful idea!
